9. Please notice that the display of Moodle mobile application differs from mobile to another so if you couldn't see the "count down timer "accurately on the top of the page you can flip your mobile horizontally in order to display it properly
10. Each group of questions will be displayed in one page you are required to press **next page** to navigate to the next questions
11. You are required to answer the question in order to move to the next one
 - a. *Note that you can't go back to previous question that you have already answered, flagged or even left without an answer*
 - b. *If you tried to go backward to your previous question with the browser Backwards arrow the system will display a warning message that you shouldn't do so and a "continue button" will return you to your exam attempt*
12. Questions are autosaved when you click next and question number becomes colored in dark grey in the quiz navigation block
13. Try to be calm and flexible if you got disconnected accidentally during the exam (eg wifi disconnected)as you can return back to your attempt normally from any other platform (mobile app-mobile browser- ipad....) as long as you still have time in your attempt and you didn't click finish attempt (*previously answered questions will be already saved when you reopen your attempt*)
14. Stay alert and watch the **timer** on your quiz navigation block
15. If your **Time up** and you haven't Finish your answers all your answered questions will be graded automatically , and the unanswered question will be graded zero
16. Click **finish attempt** when you are done and want to submit your answers
17. Don't forget to **Log out** from your account when you submit your answers to lessen the traffic from the Moodle for the rest of your colleagues

18.No grades will be issued following the online exams. But, after completing the clinical training and examinations, A Pass/Fail grade will be issued for each subject.

19.In case you could not submit your online exam, you should send an email clarifying your full name, academic email address, academic year, student ID number as well as explanation of the situation with official documents as proof to the following email address: Internationalexcuse@alexu.edu.eg

20.Once your excuse is accepted, you will submit another similar exam in the E-learning unit after end of Corona virus lockdown.

Good Luck & Stay Safe
